Nantucket Sisters: A Novel

Synopsis

NATIONAL BESTSELLER • Look for special features inside. Join the Random House Reader's Circle for author chats and more. Friendship takes center stage in New York Times bestselling author Nancy Thayer's captivating, emotionally charged novel featuring all the tenderness and wit, drama and romance that readers have come to expect from this insightful, much-loved writer. When they meet as girls on a beach in Nantucket, Maggie McIntyre and Emily Porter become fast friends—though Emily's well-heeled mother would prefer that she associate with the upscale daughters of bankers and statesmen rather than the child of a local seamstress. But the two lively, imaginative girls nevertheless spend many golden summers together building castles in the sand, creating magical worlds of their own, and forging grand plans for their future. Even as Emily falls for Maggie's brother, Ben, and the young women's paths diverge, the duo remain close friends. Then the unthinkable happens: Handsome, charismatic, charming, and incredibly sexy Wall Street trader Cameron Chadwick upends both their lives and disrupts their friendship. Struggling with the tough choices they must make and the secrets they must keep, the two young women discover that the road to love and fulfillment is full of bumps and twists. And while true love may be rare, Maggie and Emily find that friendship is even rarer—and more valuable still. Praise for *Nantucket Sisters* • "Thayer obviously knows her Nantucket, and the strong sense of place makes this the perfect escapist book for the summer, particularly for fans of Elin Hilderbrand." • "Booklist" • "Thayer keeps readers on the edge of their seats with her dramatic story spanning the girls' childhood to adulthood. This wonderful beach read packs a punch." • "Library Journal" • Praise for Nancy Thayer's *Beachcombers* • "Thayer's sense of place is powerful, and her words are hung together the way my grandmother used to tat lace." • "Dorothea Benton Frank" • "A charming and fun summer read . . . Readers will love this story of family and love." • "The Plain Dealer" • Summer Breeze • "Nancy Thayer is the queen of beach books. . . . All [these characters] are involved in life-changing choices, with all the heart-wrenching decisions such moments demand." • "The Star-Ledger" • "An entertaining and lively read that is perfect for summer reading indulgence." • "Wichita Falls Times Record News" • *Island Girls* • "A book to be savored and passed on to the good women in your life." • "Susan Wiggs" • "Full of emotion and just plain fun, this novel is delightful." • "Romance Reviews Today" From the Trade Paperback edition.

Customer Reviews

I don't know what I was expecting when I ordered this book from Vine, but I'm drawn to anything Nantucket oriented, and a story about sisters or best friend-relationships always appeals to me. The story begins when Maggie and Emily are both 11, and the narrative voice sounds appropriate for that age of reader as well, quite child-like in the language and syntax, yet smooth and slick, vastly professional compared to many YA books. It is not, however, aimed at a YA audience, though the reading is cloyingly vapid at first. As I read, I asked myself whether I was mistaken and checked again to see the advertising said this was general audience adult fiction, when the story goes no deeper than "This happens all the time between Emily and Maggie. They think the same thought at the exact same time." But it was early in the story, and the sales blurb mentioned a long relationship and shared pregnancies, so I kept going. What Nancy Thayer does brilliantly - to the point I wish she would write a volume of poetry with her beautiful language that floats above the mundane - is description. Page 48 rings like magic with phrases like "...Quaker ladies and shad bushes bloom in bridal profusion...scarlet wood lilies play like children in the breeze." It almost feels like something lovely is coming, that the reading is going to be worthwhile after all, that we've hit a vein here, and the story will go with it. Alas, the story stays on the level of pre-teen giggling girls, even through very graphic (but devoid of actual emotion) sex. I just hated the whole message that being adult meant

being a slut, and that it was happily accepted as normal. Maggie declares she doesn't want to "do that dating stuff" because she has plans for her life that don't include pregnancy.
