Synopsis

Weird and unusual true stories of the paranormal, strange sightings, eerie true ghost stories and unexplained phenomena. The exceptional phenomenon of phantom armies is an age-old story. The famous saint St. Augustine documents a case in The City of God. During the civil wars in Rome, two rival groups of evil spirits were seen and heard battling it out on a plain in the hilly Campania region, so realistically that the saint reported strange footprints of horses and men afterwards noticed on the ground. The belief in strange phenomena that transcend our daily existence is as old as humanity itself and it still continues to have an impact on us. In fact, in the past few years, there has been a great surge of interest in the supernatural and the paranormal. We are about to embark on a voyage into a dark universe that comprises all sorts of bizarre true stories and anomalies, from ghosts, hauntings, and paranormal happenings to strange sightings, poltergeists, invisible barriers and true stories of unexplained phenomena. Customer Reviews

I don’t believe in paranormal occurrence and ghosts until i read the stories on this book. It seems unbelievable but the stories and evidences say otherwise. When I was reading the book, it gives me chills and goosebumps.I am happy to recommend this to other. Thank you Max Mason Hunter

Overall the storied were short and bland. Limited details and a few times, I was just lost due to

issues or errors.

More of a history of different types of weird happenings than true ghost stories. Interesting though.

Pretty interesting. Loved the stories but also liked the way the author explained certain things and maybe why it happened.
