Customer Reviews

The elmer book is in great condition. I also think the price was excellent. I know that my students will definitely enjoy this book!

The only reason I gave this item 3 stars is because it is in Spanish. When I ordered the book for my daughter, I intended to get the book in English. Boy was I suprised when it arrived! I LOVE the book in English and plan to order it that way next time. Please double check the book description before you order. I only found it listed in one (not obvious) place in the description! Don't make the same mistake I did!Elmer

I had no intention of ordering 2 spanish versions of this book. I am not happy that I will have to pay to return them since "I" made the mistake. I went back and rechecked the description and it didnt

mention that the books are in spanish. Not sure what I will do from here but not too happy about the situation. I have a class waiting for these books.
