Woven Hearts: Ribbon Of Gold/Run Of The Mill/The Caretaker/A Second Glance (Inspirational Romance Collection)

Synopsis

The Steadman Mill is the heart of industry in Eaststead, Massachusetts, weaving miles of cloth that is shipped throughout the country and abroad. The Kindred Hearts Orphanage is the pulse of the town's charity efforts...and, most recently, the focus of a wave of change. The Steadman Mill has begun to offer work to Kindred Hearts girls who have grown up poor - without connections and prospects in society. Now the young women are stepping into leadership positions within the mill and the community - and stealing the hearts of the town's most eligible bachelors in the process. Take a journey with four women of Eaststead as they balance their gentle natures with newly discovered strength of character. They have placed their souls in God's hands...now, will they trust Him with their hearts, too?

Customer Reviews

The stories or four novellas in this anthology all deal with an orphanage and young women working in the town where The Steadman textile mill exists. I am enjoying this book immensely and hope you will as well!
