This book deserve more than a five, this book hit close to home for me and had me in tears, laughing and a lot of action and drama with the Charice and Charlie Mack other than that over all this book was the bomb.com. And I love the name of this book Can't Raise A Man but up can teach him right from wrong.

Authoress Red has done it again with Can't Raise A Man. This book has many story lines that are all related to relationships with a man some type of way. A must read but please be advised, make sure you have part 2 on hand when finishing up this book. 5 star quality
