Customer Reviews

These characters seems to be in love with drama. Candace is scandalous. If Nikki was truly her best friend, she should've told Nikki the truth from the beginning about Regina but yet she was also hiding another trifling secret from Nikki too. Akeem know his behind wasn't right either. He had a lot of nerve trying to be mad at Nikki when he was keeping something from her too. Kilo irresponsible ass just don't like to accept responsibility. Sherm should've been upfront with Regina about Natalie knowing she's crazy. Diamond is a no nonsense chick. Kilo knew he couldn't pull the wool over her

eye's.

Great way to end the series I feel bad for Regina all she wanted was to be happy mz redd u did a awesome hub once again

Loved this book.. this was thee best ending to a three part series that I never thought it would end with such a great ending for Nikki Diamond, Kilo and Nikko

This was a really good ending. Really sad that Regina and her baby had to die to make kilo butt grow up. I really enjoyed all series.
