Ginger Snaps (A Jack Patterson Thriller)

Synopsis

Jack is back! Attorney Jack Patterson returns to Little Rock, Arkansas after an old acquaintance, Dr. Douglas Stewart, is arrested for marijuana cultivation, possession, and distribution. Jack is no expert on drug cases, but meets with Stewart to fulfill a promise to his late wife, Angie, who was close to Stewart. Expecting to wrap up his involvement in an hour and enjoy the rest of the weekend golfing, Jack hears from Stewart that his arrest isn't about the marijuana. Teaming up with his bodyguard, Clovis, and defense attorney Micki Lawrence, Jack begins to investigate why this highly-respected scientist was growing marijuana. He learns that Stewart had alerted the government about the existence of his marijuana garden years ago. Why the arrest now? Why are the Feds claiming terrorist involvement? Stewart's wife, Liz, claims it has to be about her ginger snaps which are laced with marijuana to help ease the pain of cancer patients. As Jack delves deeper into the case, he discovers that both Stewarts and the federal government are hiding secrets, secrets that connect to a past Jack and all involved would rather forget.

I have read all of Webb Hubbell's books, fiction and non-fiction, and they keep getting better. Ginger

Snaps is one of the best lawyer mysteries I have ever read. I have been a lawyer, prosecutor and judge here in Arkansas for 49 years. Now retired, I read about 3 or 4 novels a week. Webb Hubbell is tops.

Another great thriller-keep reader in suspense until the last few pages. Mr. Hubbell just keeps the storylines coming better and mysterious! Same wonderful characters as in previous book with more added quirky, colorful and somewhat outlandish new ones! That's the South! Act on your fantasy! Again, wonderful Southern food mentioned along with the finest complimentary refreshments! Savannah L

Webb Hubbell is a distinctive writer who excels at plot development and thoughtful characters. I enjoyed his use of thinly-disguised Little Rock locations like the real Capitol Hotel bar so familiar to me. I won't give away any plot twists here, but the marijuana aspect takes a very unexpected and exciting turn towards the end. A superb blend of law, food, science, and current events. Can't wait to read Jack Patterson's next case.

Just started AND finished Ginger Snaps - not because it was a thin book, but because it is fabulous! Webb Hubbell honestly get better with every book. I loved all the working parts of seeing the dysfunctional justice system and then seeing them held accountable. So wish it were true here. We've got quite a mess. I found the medical use of marijuana intriguing. I've read studies that seem to indicate this very utilization may be on the horizon. The book is set in the South where the politics are muddled but oh-so-much fun. Best evah!

This was an excellent book. Had a lot of met mystery in it and kept you on the edge of your seat. I would recommend it to anyone who likes Mickey minute this was an excellent book. Had a lot of met mystery in it and kept you on the edge of your seat. I would recommend it to anyone who likes Good mystery/thriller

Was disappointed in this Jack Patterson novel. The plot was easy to guess at early on, but expected it to have a "twister" ending, but did not. Was way too drawn out and excessive amount of characters, started getting hard to keep up with all them and Web's liking names with "M", Maggie, Micki, Moira, etc.

Another Jack Patterson page turner. A fascinating story AND I learned about a feature of our laws that disturbed me and that I knew nothing about - civil forfeiture. The author made it a side feature of the story very effectively. Great story with some of the same characters from his first novel - When Men Betray - who I enjoyed seeing written about again.

I just didn't want to put this book down until I was almost finished and then I didn't want it to end. Ginger Snaps is a well-written mystery thriller with a complex plot full of twists and turns. I enjoyed getting to know the main characters and can't wait to hear about their adventures and challenges in the next book! Webb Hubbell is a master storyteller.
