The Taming Of A Shrew: The 1594 Quarto (The New Cambridge Shakespeare: The Early Quartos)

Synopsis

This is a new edition of an anonymous play that appears to be an alternative version of Shakespeare's popular comedy, *The Taming of the Shrew*. Stephen Miller suggests that someone rewrote Shakespeare's more complicated version, making it shorter, simpler and different in some ways. The main difference between the two plays concerns the framing story of Christopher Sly, the drunk, who disappears early on in Shakespeare's version, but who has a much larger role in *A Shrew*. This edition provides a modernized text and extensive commentary.

Customer Reviews

I thought the general consensus of opinion was that Shakespeare didn't write "...a Shrew" since it is so different & inferior to "...the Shrew". Perhaps I should actually buy this book and see huh?
