Customer Reviews

I love taboo stories especially the step siblings ones!! All these stories hit that naughty spot and made me hot! Great books, they are short but oh so sweetly naughty and right to that spot! Must have!!

Baby Kisses - Very Good - It may be taboo but it is a good read that is very well written. Baby Love - Well Written - Funny, well written, but hard on the christian faith. Still good. Baby's Big Night - Cute - Definately cute, funny, and sexey. It may be short but it is a full story. This Time Baby - Such a Tease - The sister was such a tease it made you wonder why he would still want her but he did. Welcome Home Baby - Sweat - I just want to say that to love someone so much to be willing to give up so much there should not be anything wrong with that.

Your kids are going to love Twist and Shout one of the Mermaid Tales by Debbie Daley. Echo twists her tale while riding a sea horse. This dampens her dream of competing in the Poseidon Prep. The story is really cute and it was fun to see how she handled getting crutches! The book is for ages 6-9. I also liked how a little one could actually even color the pages with crayons if they wanted to. -

Full review sent over to WLK, overall an ok tabooish kinky story that had it ups and down as well as sometimes off (The review will be shared when there is room) There was one story I DFN since it seem to be characters where to YOUNG... NOT going there ... (This Time Baby...)

Whatever this author may write she gets better and better with every book that I read. I love it when an author can make my girlie parts tingle and every time I pick up Selena's books it is a given she is my go to author.

Allie and Kit their first. WOW! Readers will enjoy this sexual story. Masturbating while Allie is in the shower and Allie is getting off as Kit is coming . Thank you

Six sexy stepbrother novellas in one purchase. While the plots varied, the pair always wound up happy, making it a nice easy read. Editing could be a little better, but pleased I read it.

These where ok. I liked the first one the most. They seem to be the same format, just different names and descriptions. Was ok for being free.
