The Key Party: In The Twilight Of The Sexual Revolution Nobody Wanted To Miss Out

Synopsis

In 1974, It Was ALL Sex, Drugs, And Rock â™N Roll...And More Sex And The Best Sex Was Taboo Sex. It was the swinging seventies, and a group of college professors and their wives are filled with repressed lust. All of their students are doing the free love thing. So the head of the department throws a Key Party. That night, the men put their car keys in a bowl. Their wives randomly select a set of keys to find out who they would spend the night with. What could go wrong? This group of swingers all have their own needs. But, for some of them, they wonâ™t know what they need until the night is over. Follow the 12 men and women as they chase their desires. What happens when Hot Wives go home with young, hot studs? What about the fertile young wife who invites an older man into her bed. And what happens when a racist professor finds his fertile MILF wife in bed with a black professor? Then there is the accidental threesome involving an innocent, young wife. They all thought that sleeping around would solve their problems. How did that work out? Womenâ™s Liberation. Birth Control Pills. Free Love. Sexual Experimentation. And Extra-Marital Sex. This novella by E.M. Smart contains descriptions of fertile wife sharing, wife swapping, and oral, anal and interracial sex; as well as possibly disturbing depictions of threesomes, cuckolding, and hot-wifery.
