# Anatomic Pathology Board Review, 2e

## **Synopsis**

Featuring hundreds of multiple-choice questions and full-color illustrations, Anatomic Pathology Board Review serves as a comprehensive resource for both certification and recertification exams. This fully updated medical reference book contains chapters covering general pathology, the major organ systems, and ancillary diagnostic techniques, as well as important topics including immunohistochemistry, cytopathology, and molecular diagnostics. It's the perfect tool to help you be as prepared as possible for the Anatomic Pathology boards! Understand why an answer is correct or incorrect with help from brief explanations accompanying each. Access coverage of all of the major organ systems and ancillary diagnostic techniques.

Product Dimensions: 1.2 x 8.5 x 10.8 inches

Shipping Weight: 3.9 pounds (View shipping rates and policies)

Average Customer Review: 3.8 out of 5 starsÂ  See all reviewsÂ (6 customer reviews)

Best Sellers Rank: #196,829 in Books (See Top 100 in Books) #63 inÂ Books > Textbooks > Medicine & Health Sciences > Medicine > Basic Sciences > Pathophysiology #86 inÂ Books > Medical Books > Basic Sciences > Pathophysiology #98 inÂ Books > Textbooks > Medicine & Health Sciences > Medicine > Basic Sciences > Pathology

## **Customer Reviews**

The content is great and well written with more questions from the prior edition, my only issue is the way to browse the kindle version of this book, you can't go from questions to answers directly, you basically have to go through the chapter if you want to return to where the question was located, I wish they would have linked each question and answer to each other so the browsing method would be much faster and more time efficient than the current way (Like McGraw-hill specialty board review in Anatomic pathology book). But the contents for studying is great, I recommend it as a paperback book rather than kindle edition

Great book to learn from during residency. Does NOT help with the board exam. Should not be

called "Board review".

Very nice quick review before the exams ...
