Tempting Two (A Regency Erotic Romance/Menage) (Scandalous Ballroom Encounters Book 3)

Synopsis

Penelope Hunt is well on her way to becoming a spinster. When Colin Worthing courted her secretly for an entire season before making off with her virginity, he ensured that she could never make a good match — or put the pieces of her broken heart back together again. His duplicity has her convinced that men are not to be trusted, and that she would be foolish to bind herself in marriage to one for the rest of her life. Deciding that life as a spinster has its benefits, she vows to avoid matrimony and enjoy her life in any way that she can — the inheritance to be had on her twenty-fifth birthday will see her endowed to do just that. When the commissioned officer returns home years later, much older and wiser than the young rake who ruined her, he wants nothing more than to put his past behind him and make amends for his treatment of Penelope by marrying her. Setting out to woo her and convince her heart's changed, he never expects competition in the form of his best friend, Edmond Ingham. With both men out to steal her heart, a jaded Penelope begins a game of intrigues and passion — one that the members of the ton would be shocked to know she indulged in. But what does it matter when men have been breaking hearts since the dawn of time? Perhaps, the two men deserve to have their hearts played with. And, perhaps, in two very different men, she will find that the love she thought couldn't exist for two might just be possible with three.

Interview with the Author Q: So, what makes the Scandalous Ballroom Encounters series special? A:

There's nothing Regency romance readers love more than a good scandal! As a lover of both romance and erotica set in the Regency era, I really wanted to put everything I love about the genres into one series: rakish dukes, innocent debutantes, daring spinsters, seductive widows, and the glittering backdrop of London. Each book features a different couple (or threesome), and can be read alone, however, the characters often cross over into the other books and make

appearances. Q: Why should readers give these books a try? A: These books are decadent, sexy, and emotional. The characters are relatable and engaging, and their scandalous behavior will

have you turning the pages to find out what they might do next! Q: How many books will be in the complete series? A: I am not certain. At the moment, I have 4 books planned. But who knows?

There's no shortage of scandal to be found among the members of le bon ton. Customer Reviews

This is the third book in Scandalous Ballroom Encounters series, and in my opinion, the best one so far. The phrases "hell hath no fury like a woman scorned" came to mind when I read about Penelope. A very strong woman who has been deceived, Penelope trusts no man, and does as she pleases with whoever she pleases. When Colin, the man who stole her virginity returns back into town, his mission is to try to get Penelope back. Although she still feels love in her heart for him, she's determined not to be burned by him again. He teams up with his best friend Edmond to get her back, and they come up with a plan that backfires horribly on them. As Penelope plays her own games with the two men, they both end up falling in love with her. Both want her hand in marriage, and she realizes she also has feelings for them both. The book is a really fun read, and I wasn't sure who I wanted Penelope to end up with. Both Colin and Edmond had their endearing characteristics, even while trying to trick her. Until the end, Penelope remained strong, and I was very happy that the story ended on her terms. The sex scenes in this book are scorching and plentiful - each one hotter than the last. This is Regency Erotica at its best. If you don't like erotica, don't buy this book, however, if you do, you will NOT be disappointed by this fun story of deception, games, lust and finally, love. The author does a wonderful job of taking us back in time and showing us the naughtier

side of the era. I'm really looking forward to more books in the series.

Well, I did read this book the fastest of the three in the series, to be sure! It was a solid afternoon's entertainment and it was worth more than what I paid. With all of the technical reading that I have to do for work, I need some well-written fluff in my life, and this is definitely an author that I'm enjoying. As another reviewer stated, the phrase "Hell hath no fury," did come to mind when reading about Penelope. I don't like to spoil things, but this had a pretty clever and modern ending to a Regency romance. It was fast-paced and fun, and I was sad that it ended as quickly as it did.

I enjoyed this book. The story of Penelope betrayed and finds an avenue for revenge was very exciting to read and I love that Victoria has written a surprising ending for me. This book was fast and steamy at its best.

Enjoyed this one as much as the first two in the series. Wonderfully entertaining series. Highly recommend all of Victoria Vale's books.
