Five Great Greek Tragedies (Dover Thrift Editions)

Synopsis

Five of the greatest, most studied, and most performed Greek tragedies, each in an outstanding translation, include Oedipus Rex and Electra by Sophocles (translated by George Young), in which the much-admired playwright explores the individual's search for truth and self-knowledge; Medea and Bacchae by Euripides (translated by Henry Hart Milman), favorites with modern audiences for their psychological subtlety and the humanity of their characters; and Prometheus Bound by Aeschylus (translated by George Thomson), a monumental work that examines relations between humans and the gods. Includes a selection from the Common Core State Standards Initiative: Oedipus Rex.

Customer Reviews

FOR WHAT IT IS IT IS ACCEPTABLE. THE PRICE FOR A PAPERBACK SEEMED HIGH TO ME; I WOULD HAVE PREFERRED A HARDBACK. BUT FOR READING AND REFERENCE, IT IS ACCEPTABLE.

Needed one of these plays for a class I took and ended up reading them all. Such a great collection of Greek tragedy!

I ordered this product for a college class. It was in great condition, covered exactly what it said it would and for the tragedies you get it is well worth the money.

this year i decided to order my books from on line and save, oh i don't know, about 200.00 dollars, i needed this specific book, saw that it was readily available and affordable...so tah-dah..i ordered it and i received it just in time for school...
